- All photos are sent as compressed samples, from which you are to choose X amount of photos depending on your chosen package. These will be sent 1-5 business days after the photoshoot. Extra photos are available for purchase. Edited photos are sent colour corrected within 1-10 business days after selection is received.
- RAW files are not available.
- Advanced Photoshop edits, such as body adjustments and facial retouching, are available upon request for an additional fee.
- Unless previously discussed and agreed upon in advance, if no selection is made within 25 days of having been sent the samples, the photos will not be edited. Thanks for understanding and your cooperation is highly appreciated.
- During peak season (April-October), beach photoshoots are limited to early morning hours. Afternoon sessions are subject to availability and may only be conducted in less touristic areas.
- A non-refundable 50% deposit is required to secure your spot and must be paid at least 7 days prior to your session.
- No refunds will be issued. Cancellations made 3-7 days prior to the scheduled session are eligible for rescheduling, subject to availability. Cancellations made within 48 hours of the scheduled session are not eligible for rescheduling. Time is the most precious thing we have, thank you for your understanding and respect in this matter.
- If, at any point during the photoshoot, weather conditions worsen and become unsafe or unsuitable for drone operation, the drone will not be flown to ensure your safety and the safety of others. In such cases, a refund for the drone add-on will be issued, or additional edited photos will be provided to cover the fee paid.
- Please follow my instructions at all times to ensure your safety since we will be in areas of high grounds and may result in serious injury if proper caution is not taken.
